2018 Mayors' Fitness Challenge

Join your city for a chance to win \$500

Twelve Mayors in Brevard are challenging their citizens to get involved in a healthy competition – the Health First Mayors' Fitness Challenge. Each Mayor will assemble the largest possible group of people from the community to form a city team. Everyone who joins for a municipality is considered part of that mayor's "team." All you have to do is start moving and track it! The winning team will be determined by the total number of minutes exercised by the members of each team. The municipality with the most points will win the challenger trophy, "Most Fit City 2018."

An additional prize of \$500 will also be awarded for the male and female who have the biggest percentage of weight loss at the end of the competition. All participants must be weighed in prior to the challenge or at the kick off event at a participating Health First facility. For Titusville, this facility is located at Health First Imaging Center at 490 N. Washington Avenue. For information, call 321-434-6100.

The competition is open to citizens of Cape Canaveral, Cocoa, Cocoa Beach, Grant Valkaria, Indialantic, Indian Harbour Beach, Melbourne, Palm Bay, Rockledge, Satellite Beach, Titusville, and West Melbourne.

Registration is available from December 15, 2017 - January 15, 2018. To sign up, visit uwbrevard.org. The competition will kick off on Saturday, February 3, 2018 and last until April 28, 2018. An awards ceremony will be held on May 5, 2018.
