## Asbestos Notification Statement

Building Permit Application Number: \_\_\_\_\_

Property Address/Location: \_\_\_\_\_

### Florida Statute Section 469.003 License required.

(1) No person may conduct an asbestos survey, develop an operation and maintenance plan, or monitor and evaluate asbestos abatement unless trained and licensed as an asbestos consultant as required by this chapter.

(2) No person may prepare asbestos abatement specifications unless trained and licensed as an asbestos consultant as required by this chapter.

(3) No person may conduct asbestos abatement work unless licensed by the department under this chapter as an asbestos contractor, except as otherwise provided in this chapter.

### Florida Building Code Section 105.9 Asbestos.

The enforcing agency shall require each building permit for the demolition or renovation of an existing structure to contain an asbestos notification statement which indicates the owner's or operator's responsibility to comply with the provisions of Section 469.003, *Florida Statutes*, and to notify the Department of Environmental Protection of his or her intentions to remove asbestos, when applicable, in accordance with state and federal law. Copy and paste this link to obtain a copy of the Notice of Demolition or Asbestos Renovation application.
