WHEREAS, the City Council of the City of Titusville on the 12th day of October, 1982, adopted Resolution No. 27-1982, finding that there is one or more slum or blighted areas within the city limits of the City of Titusville and that the rehabilitation, conservation, or redevelopment thereof is in the best interests of the public health, safety, morals, and welfare of the residents of the City of Titusville; and,

WHEREAS, the City Council of the City of Titusville has previously designated an area as appropriate for a community redevelopment project; and,

WHEREAS, the City Council of the City of Titusville on the 12th day of October, 1982, adopted a resolution finding a need for a community redevelopment agency; and,

NOW, THEREFORE, BE IT ENACTED BY THE CITY OF TITUSVILLE, FLORIDA, as follows:

SECTION 1. That the Code of Ordinances of the City of Titusville is amended by adding a new chapter numbered 6C entitled "Community Redevelopment Agency" which reads as follows:

Sec. 6C-1. Title. This ordinance shall be known as the Community Redevelopment Agency ordinance.

Sec. 6C-2. Findings.

(1) It is hereby found and declared that there exist in the City of Titusville a slum and blighted area which constitutes a serious and growing menace, injurious to the public health, safety, morals, and welfare of the residents of the city; that the existence of such area contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests sound growth, retards the provision of housing accommodations, aggravates traffic problems and substantially hampers the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blight is a matter of city policy and city concern in order that the city shall not continue to be endangered by areas which are local centers of disease, promote juvenile delinquency, and consume an excessive proportion of its revenues because of the extra services required for police,

fire, accident, hospitalization, and other forms of public protection, services and facilities.

(2) It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance and disposition subject to use restrictions, as provided in this part, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this part, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils enumerated may be eliminated, remedied, or prevented; and that salvageable slum and blighted areas can be conserved and rehabilitated through appropriate public action as herein authorized and the cooperation and voluntary action of the owners and tenants of property in such areas.

(3) It is further found and declared that the powers conferred by this part are for public uses and purposes for which public money may be expended and the power of eminent domain and police power exercised, and the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.
